Standard package

Kiviranna

The Kiviranna finishing package is inspired by natural stone shades and a calm colour palette. It's the perfect choice for you if you want a home where grey tones and nature-inspired materials create a balanced Nordic ambiance. White interior doors and soft grey walls bring light and airiness to the room, complemented by calm, grey-toned parquet flooring. In the bathroom, a deep anthracite floor meets pearl-coloured wall finishing, with high-quality sanitary fixtures emphasising the elegance. The result is a crisp, nature-inspired home.
