Standard package

Liivakarva

The Liivakarva package brings light and warmth to your home, inspired by the soft shades of beach sand. It's the perfect choice for you if you prefer a bright, Nordic-style interior. Beige tones, wood, and sand patterns intertwine with light-coloured wooden doors and mouldings to create a unified whole. In the bathroom, sand-coloured ceramic tiles and a textured accent wall add texture and visual depth to the room. The result is a home where sand-coloured shades and light create a calm and unified whole.
