Standard package **Jõekivi**

The standard packages draw inspiration from the character of the rivers. The accent walls are a darker shade than the surrounding walls.

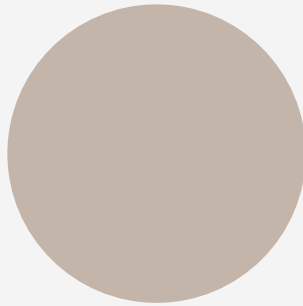

In the wet rooms of the Jõekivi standard package, beige-toned tiles are combined harmoniously.

A stone-effect tile with a subtle reddish detail as the main tile, complemented by brick-shaped beige tiles as accents. The living spaces feature natural oak parquet flooring, complemented by light walls and oak and white details.
