Standard package **Jõevoolu**

The standard packages draw inspiration from the character of the rivers. The accent walls are a darker shade than the surrounding walls.

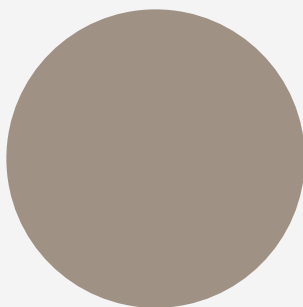

In the wet rooms of the Jõevoolu standard package, elegant flowing accent tiles are combined with light neutral tiles.

The light overall colour palette of the living spaces, complemented by white details, harmonises with the darker yet soft-toned parquet flooring.

Walls

Wall colour
Tikkurila Symphony II
G486 Tailwind
